Oneida County Contribution Limits

The charts in this document set forth the maximum election limits, calculated using the total number of enrolled or registered voters, excluding voters in inactive status, that may be received by a candidate for a particular office. (ELN 14-114: NYCRR 6214.0.)

The Non-Family Limits chart (pgs. 2 – 6) represents the amount that can be received from any non-family contributor.

The Family Limits chart (pgs. 7 – 11) represents the amount that can be received in the aggregate from the candidate's family. Family is defined as the candidate's:

- child,
- parent,
- grandparent,
- brother,
- sister, and
- the spouses of any such persons.
